

REFERENCE GUIDE

COLORADO SERIES MEDIA GUIDE

The Colorado Series printers provide you the opportunity to help reduce your overall costs, expand your application range, and supply excellent print quality with extended color gamut using just CMYK. Canon Solutions America offers a broad assortment of wide format media to cover a wide range of applications.

This guide outlines the wide format media offered by LFS Imaging Supplies, covering photo papers, banners, adhesive vinyl, wallcoverings, window graphics, floor graphics, films, and specialty media.

Colorado printer media requirements include: rolls wound PSO (print side out), 3-inch core, width from 11 to 64 inches, and weight per roll 110 lb.; outer diameter 8.5". The Colorado 1650 also accepts PSI (print side in) rolls. For more information, please contact your Canon Solutions America Sales Representative.

SMART CHANGE STARTS HERE.

WALL DÉCOR

Whether your job needs a short-term wall graphic for an event or long-term interior decor, we have a wide range of products for UVgel ink technology. Our wallcovering wide format media includes co-branded products with Neenah, DreamScape, Mactac, Expand, and Ahlstrom-Munksjö. Our portfolio has paste to wall, pre-pasted, or adhesive installation options. We offer paper with pre-pasted adhesive, non-woven Type II wall vinyl with different textures. These products are compatible with multiple print technologies so you have options. Our Colorado UVgel and Arizona inks are UL GreenGuard-approved to help with those specifications. The Colorado UVgel inks carry a UL Greenguard approval.

ITEM	DESCRIPTION	SIZES	LENGTH	WEIGHT	FINISH	OPACITY	BRIGHTNESS	WHITENESS	FLAME RESISTANCE

FLOOR GRAPHICS

Most of the products listed here are for a “Print and Go” application. These products work across several print platforms and have non-slip safety ratings so you can print, cut, and install without additional lamination. Indoor and outdoor applications can be achieved. Mactac StreetRap is a pvc vinyl with aggressive adhesive but needs a laminate to be floor safety rated.

ITEM	DESCRIPTION	SIZES	LENGTH	WEIGHT	FINISH	OPACITY	SLIP RESISTANCE
TEXWALK 14 Mil TexWalk Textured Vinyl w/PSA	A 14 Mil opaque textured matte vinyl, with fabric backing and repositionable solvent acrylic adhesive. UV UVG L E	23, 48	10, 82	14 Mil	Matte	100%	ASTM D-2047
