

CANON SOLUTIONS AMERICA

LARGE FORMAT GRAPHICS FAMILY PORTFOLIO

Customers tell us they demand productive, cost-effective print solutions that integrate high-quality products with fast throughput, reliability, and ease of use. It's just as important to have an experienced and knowledgeable account manager that cares about you and your business.

At Canon Solutions America, we are committed to helping our customers grow their business success. We can provide one-stop support, helping to reduce the finger-pointing often experienced when integrating and troubleshooting cross-vendor media, hardware, and applications issues. From printers to workflow software to finishing equipment, and even media and ink, we work with companies like yours to provide end-to-end systems designed to work together to help you drive profits, decrease costs, and increase productivity.

Plus, with the largest direct account management, technical service/support, and professional services organizations dedicated to large format in the U.S., we have the depth of knowledge and capability to stand behind our products so you can help maximize your return on investment.

SMART CHANGE STARTS HERE.

PRODUCT PORTFOLIO SUMMARY

Canon's award-winning printers are an optimal platform for innovation. This portfolio features equipment ideal for creating large format, outdoor, point-of-purchase signage and banners, backlit displays, exhibit displays, signage, specialty items, and more. With these, you can extend your application capabilities with incredible quality-printed output, while harnessing leading technologies such as varnish, white ink, and raised texture printing, and complement with smart cutting and finishing accessories. In fact, your potential to profit from creating high-value output is limited only by your imagination.
