

## COLORADO SERIES PROCARE PROGRAMS

## PROCARE EZ PRINT PROGRAM

The Colorado series of printers are fast becoming a must-have for print service providers looking for an efficient way to print roll-to-roll graphics media.

Canon Solutions America is pleased to introduce a unique program which enables customers to easily and cost effectively enter into this award-winning UVgel print technology, with the Colorado ProCare EZ Print Program.

### What Is the Colorado ProCare EZ Print Program?

- A program with a low, all-inclusive cost per square foot for the Colorado series of printers.

### What Is Included in the Colorado ProCare EZ Print Program?

- Colorado printer, all starter kits, delivery, installation, and training.
- Full on-site service, including parts, labor, and travel.
- Colorado printer printheads.
- Colorado printer inks with no ink coverage limitations.

### Key Benefits of the Colorado ProCare EZ Print Program:

- Equipment, service, ink, and printheads are all included\* in the contract pricing.
- 100 percent rollover of unused print square feet each month to be carried over to following month(s).
- Included during contract term.
- Available equipment upgrade during the last 12 months of contract.
- Extremely competitive, all-inclusive\* base rates and overages per square foot.
- Helps take the guesswork out of print job estimating for your customer.
- Know what your running costs will be regardless of what you are printing.

“The Colorado really allowed us to get done in a single shift what our previous machine was doing in three shifts.”

—Seth Austin, Operating Partner  
Craft Signs in Fort Worth, Texas

# PROCARE AND PROCARE+ SERVICE PROGRAMS

ProCare, ProCare+, and the post-warranty Standard Maintenance Plans have no volume bands or overages (unlike the ProCare EZ Print Programs) —just one flat monthly maintenance price and unlimited square feet, including discounts on printheads. These plans cover all service labor, travel, and parts\*. ProCare+ includes all the services of ProCare, adding the eligibility for one printhead replacement per year of term.

## What Are Your Options and What Is Included?

Customized Service plans designed to fit every business need:

- ProCare+: Starts day one and includes all service labor, travel, and parts\*, as well as one printhead per year\*.
- ProCare: Starts day one and includes all service labor, travel, and parts, excluding printheads\*.
- One-year printer warranty with the option to add Standard Maintenance coverage after the first year\*. Printheads are not included.

## Key Benefits:

- Peace of mind with one flat monthly maintenance price.
- Discounted printheads based on service option.
- Optional ProCare + program that includes one free printhead a year.
- Helps maximize uptime and reduce operational downtime.
- Multiple plans to suit your business needs.
- Backed by Canon's award-winning Service team.

*\*Certain tools and consumables are not included, limitations may apply.*

“ We've got 250,000 square feet on the press, and we haven't even had it on our floor for two months . . . . You know it's pretty crazy, what used to make up an entire production day's worth of volume is now being done by a pre-press operator who spends most of her time in the other room. ”

—**Chuck Werninger**, senior manager of Administrative Services  
Houston Independent School District, Houston, Texas

## WHY CANON SOLUTIONS AMERICA?

Canon Solutions America recommends forward-thinking strategies to help achieve the highest levels of information management efficiency for your unique business needs. Using outstanding technology and innovative services, we then design, implement, and track solutions that help improve information flow throughout your organization while considering the environment, helping to result in greater productivity and reduced costs.

As a company that is dedicated to your needs, we support our solutions with highly skilled professionals and advanced diagnostic systems to maintain peak performance. And with ongoing consultation, we can further your document management capabilities to help ensure the highest level of satisfaction and productivity.
