

FOTOPA DREAMCUT XLD-170 AUTOMATIC X/Y CUTTING SOLUTION

The Fotopa Dreamcut XLD-170 offers an automatic finishing solution for trimming and X/Y cutting. Equipped with digital sensors, it compensates feed misalignment for a perfect cut. The Fotopa Dreamcut XLD-170 is ideal for cutting large quantities of posters, photographs, canvas, vinyl, and laminated materials up to 40 mil thick.

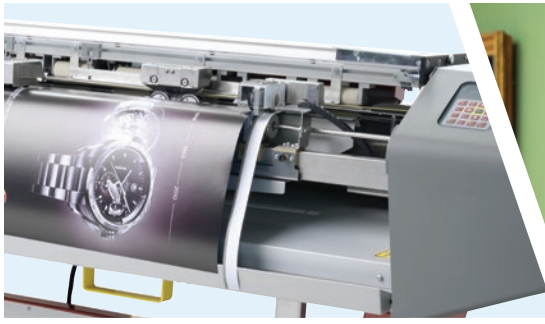

Features

- Automatic X/Y cutter for rolls and sheets up to 67" wide
- Versatile cutter designed to cut flexible media up to 40 mil thick
- Automatic realignment and compensation while cutting
- Optical detection of cut marks placed with ONYX® RIP Software

Applications

The Fotopa Dreamcut XLD-170 combined with an Océ ColorWave® printer or an Océ Arizona® printer opens a very wide range of application possibilities such as floor graphics, wall graphics, signs, banners, canvas, posters, stickers, windows graphics, flyers, and much more.

CUTTER SYSTEM	
Easy to use	Fast setup and easy operation
Compensation	Self-squaring to the edge of the image (X)
Sensor	Automatic tracking to the image edge (Y)
Automatic	Automatic scanning of cut marks
Versatility	Adjustable cutting media lengths and quantity
Substrates	Up to 40 mil thick
Memory	Memory channels to store different cut marks
Motor	Mechanism controlled by stepper motors
Blades	Self-sharpening blade system
Accuracy	±1 mm (0.04")
Loading	Auto-grip for easy loading of media
Feeding	Rolls or sheets feeding
Cutting	Horizontal, vertical, left and right single slitters included
SPECIFICATIONS	
Max media width	67"
Min media width	11"
Min length media	4"
Size main engine (W x D x H)	110" x 36" x 44"
Unit weight	650 lbs.
Max linear speed	50' per minute
Electrical requirements	110 V, 20 A
Air requirements	60 psi, .25 cfm
OPTIONS	
Double slitters	Double slitters, 0.315" (8 mm) between slitters (fixed)
Adjustable slitters	Adjustable double slitters from 0.315" (8 mm) between slitters to maximum working width
Single slitters	Extra single slitter on left and right
Stacking	Stacking tray

WHY CANON SOLUTIONS AMERICA.

Canon Solutions America recommends forward-thinking strategies to achieve the highest levels of information management efficiency for your unique business needs. Using superior technology and innovative services, we then design, implement, and track solutions that improve information flow throughout your organization in environmentally conscious ways, resulting in greater productivity and reduced costs.

As a company that is dedicated to your needs, we support our solutions with highly skilled professionals and advanced diagnostic systems to maintain peak performance. And with ongoing consultation, we can further your document management capabilities to ensure the highest level of satisfaction and productivity.
